

What Jesus Did Through You This Week!

Dear Partners,

We are grateful beyond our capacity to write in words to You for your overwhelming generosity. Those of you who have been so faithful in giving to the Lord even in challenging times are enabling us to minister here and around the world. You are also reaping bountifully from God's treasure chest and you are seeing all grace abound unto you in every situation. Thank You! Thank You! Thank You!

This was a whopper of a ministry week. The Holy Spirit took us every whichaway! We met with many of God's children, eyeball to eyeball. We prayed, taught, counseled and laid hands on folk. We ministered by internet, webpage, email, streaming and stored video, audio and written teachings, by phone and at the Friday Fanatics and the Sunday Service.

We had an outstanding teaching at the Friday Fanatics down loaded to our associate Loyd Skidmore and delivered by the Holy Spirit. The Sunday Service was a terrific message from the Holy Spirit and a discussion by our panel of Bible scholars. Both were broadcast live via streaming video and will be posted to our website.

One of the key points of Loyd' teaching is our weekly

message for your consideration and meditation:

"Then the disciples came to Jesus privately and asked Him, why could we not cast them out? (referring to demons of epilepsy attacking a teen aged boy) He said to them, **because of the littleness of your faith, for truly I say to you, if you have faith the size of a mustard seed, you can say to this mountain, move from here to yonder place and it will move; AND NOTHING WILL BE IMPOSSIBLE TO YOU.**" (Matthew 17:19)

It is important to understand that the people Jesus was speaking to had to rely on their flesh faith. We however have been given The Faith of Jesus. We have Jesus' faith. Meaning that His promise applies to us because we have infinite faith. Therefore, Jesus has sworn a blood oath that nothing is impossible for us, if we use the faith that He has given us.

Following is a snapshot of the highlights of our week of personal ministry:

Here is my favorite Holy Spirit move of the week. We had a roofer come and inspect our roof. When he saw my business card he asked me about my ministry. Before our time was finished, we were teaching him the word and praying about specific issues in his life including his desire to gain custody of his son. It was an awesome time with the Lord. Thank you for sending us.

We were sent to minister to a man struggling in his marriage. We are in agreement with the man that the Holy Spirit will guide him into all truth and show him the things

that are to come. We believe that our friend will have joy restored to him and that his children will stay with him. Thank you for sending us.

We were sent to minister to a man whose marriage is under full blown attack from the evil one. We are in agreement with our man that nothing is impossible for those who believe. Our man wants to see his marriage restored and we believe that through the power of the Holy Spirit it has been. Thank you for sending us.

We were sent to pray and praise Jesus with a faithful, sacrificial and cheerful giver who is seeing the glory of God's promises about bountiful harvest coming to cheerful givers, come true right now in overwhelming abundance. Thank you for sending us.

We were sent to minister to a woman in distress and depression over her relationship. We were able to encourage her and teach her the promises of God regarding her situation. Thank you for sending us.

We were so blessed to praise Jesus with a man who has stood in faith nothing wavering and been a sacrificial and cheerful giver, now seeing visions from the Holy Spirit about the monumental blessings that have been given him before the worlds were framed. Thank you for sending us.

We were sent to teach a wonderful word seeking woman of God, the power and truth of the Gospel of Jesus. Thank you so very much for making our ministry to this woman with your offerings. Thank you for sending us.

We were sent to pray for a chronic alcoholic blinded to the

truth by the evil one. We are in agreement that he will hit bottom and have the willingness to ask for help. Thank you for sending us.

We were sent to minister to and counsel a young businessman who is seeking more influence from the Holy Spirit in his life. It was a great teaching moment. Thank you for sending us.

We were sent to minister to and counsel a man facing a huge mountain of debt and problems with the tax folks. Thank God that nothing is impossible: also includes the federal and state governments. Thank you for sending us with the comforter, the paraklete, the one who stands beside and His peace.

We were blessed to minister to and agree with a brother who is "rapture ready". Even so, come quickly Lord Jesus. Thank you for sending us!!!

We had a HUGE week of ministry on the internet this week!!! Thank you for sending us!
