

# What Jesus Did Through You This Week!

Dear Partners, our report is a day late this week, due to the observance of Mother's day. Here's believing that each of you Mother's were blessed by your children, as you have blessed them.

As I thought about you this week, the Holy Spirit put this thought on me:

As each of you evaluate the quality of your lives, you can rest knowing that if you went to be with Jesus tonight, you would leave this world much better off because you lived. Each of you can take pride and satisfaction in the fact that your hearts have significantly touched the lives of people at home and around the globe. How satisfying to rest at the end of the day knowing that you answered God's call and went where He sent you and did what He asked of you? Thank you so much for sending us!!!! Your generosity and faithfulness brings such gratefulness to us that words fail to express the depth of our thankfulness.

Here is the scripture that the Holy Spirit gave to you this week:

"In the beginning was the Word and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made by Him: and without Him was not anything made. In Him was life and the life was the light of men." (John 1:1-4)

"And the Word was made flesh, and dwelt among us, and we beheld His glory, the glory as of the only begotten of the Father, full of grace and truth." (John 1:14)

"And of His fullness have all we received, and grace for grace. For the law was given by Moses, but grace and truth, came by Jesus." (John 1:16&17)

This was a prodigious week of ministry!!!! Our website is just on fire. We are seeing huge (300-600 percent increases in traffic. We ministered in 44 countries around the World this week and 39 states here at home. Thank you for sending us. We also had a very dynamic week of individual ministry.

Here are a few of the highlights of our week at home:

The Friday Fanatics bible study group was fantastic. We had a great group and the teaching was about living in the Spirit as opposed to living in the flesh. Our panel of experts and biblical scholars brought powerful insight on the subject and made it really fun and interesting. Join us in person or by viewing us live on your computer. Just go to our web site, [Know Jesus Know Grace.com](http://KnowJesusKnowGrace.com) and scroll down to the directions. We will begin broadcasting at 11:30 on Friday.

Our Sunday Service was just phenomenal. We had a great time in the Lord. The topic was the only way to stand before God. The panelists were fired up and brought great interpretation to the subject. Join us in person or on your computers beginning at 10:00 am on Sunday Mornings.

We were sent to pray with a man who is going to school at night and seeking part time employment during the day. We are in agreement that the Holy Spirit is leading him directly to his destiny. Thank you for sending us.

We were sent to pray with, counsel and minister to a man facing an oppressive and intolerable situation on his job. We prayed in agreement with the man and believe that his boss will work things out with him. Thank you for sending us.

We were sent to praise Jesus with a man who had agreed with us in prayer that he would receive his dream job. The next week, he got the job. We prayed in gratitude with the man who stood in faith, never doubted and received by faith what God had given him by grace. Thank you for sending us.

We were sent to praise and glorify Jesus with a man who had been standing in faith, fighting doubt, overcoming unbelief and believing God that he had received a huge important piece of business. He did and we did. Thank you for sending us.

We were sent to minister to, counsel and teach the gospel to a young man who has accepted a job as youth pastor. The man received the Word with gladness and appreciated our teaching. Thank you for sending us.

We were sent to pray for and teach the Gospel to an extremely psychotic woman. We spoke sanity and health over the woman, we prayed peace over her mind and came in agreement that she has the mind of Jesus. This is

an ongoing project because of demonic influence and low levels of belief. Thank you for sending us.

We were sent to pray for a woman completely frustrated with her job situation. We are in agreement that the Holy Spirit is guiding her and that she will listen, hear and follow His direction. Thank you for sending us.

We were sent to teach the Gospel of Jesus and its power to a man who was a skeptic about the Word of God due to the agnostic influence of one very close to him. We were able to show him through irrefutable logic the truth of the Gospel and he accepted it. Thank you for sending us.

We were sent to teach the Gospel to a very sad, lonely and depressed man. When we finished his countenance had changed and he said that many burdens had been lifted off of him. Thank you for sending us.
