

What Jesus Did Through You This Week!

Dear partners, please accept our most sincere gratitude for your generous giving; which enabled us to have a hugely productive week of ministry. We ministered too many of you in one on one ministry sessions. We ministered to the mental and physical. We ministered to those who are sad and weary. We ministered to those fighting or living in addictions. We ministered to Pastors and Business people. We ministered in homes, businesses, in bible study, in church, by computer, telephone, cd's and by phone.

The Holy Spirit brings you this week's scripture: " I assure you, most solemnly I tell you, he who receives and welcomes and takes into his heart any messenger of mine, receives Me; and he who receives and welcomes and takes Me into his heart receives Him who sent me." (John 13:20)

We had the best Friday Fanatics yet, this week. The Holy Spirit directed a tremendously powerful message about the difference between being led of the flesh, and being led of the Spirit. We were inspired by the writings of the great evangelist Smith Wigglesworth. The text was the 3rd chapter of Ephesians and the 11th chapter of the book of

John. It was a wonderful time with a great crowd and many viewing by internet, through our live streaming. Thank you for sending us.

Our Sunday Service of Know Jesus Know Grace.com was also tremendous. We had many people join us by internet, phone and in person. We continued the teaching of Friday, on being led not of our flesh, but of the Spirit. We studied the disastrous consequences of pushing the Spirit aside to be ruled by the flesh; in contrast to the great blessings of living in and being led by the Spirit. The text again was the 11th chapter of John. Thank you for sending us.

We were sent to console and minister to a woman mourning the death by cigarettes, of her brother. We ministered the joyous hope of the Gospel of Jesus. Thank you for sending us.

We laid hands on a woman who fell on her back on a stone walk way. The woman who at first could not move, and was in excruciating pain, received immediate healing. We followed Jesus' instructions and applied the power of His word. Thank you for sending us.

We were sent to minister to and counsel a businessman who lost his most important customer. We were able to teach the Gospel and show the man that the customer was not his provider, that Jehovah Jireh is, and that God has given him all

things that pertain to life and Godliness. you for sending us.

We were sent to pray for a woman who is under the influence of the evil one and his many demons. This is a work in progress. Please agree with us that she will accept Jesus. Thank you for sending us.

We were sent to minister to and counsel a man deeply disappointed in the loss of an expected gain. The man believed that because he did not see the immediate manifestation of his prayer request, that his prayer had not been accepted. We were able to bring the hope and joy and truth of the Gospel. Thank you for sending us.

We were sent to speak healing over a woman suffering from a chronic intestinal disorder. The woman received her healing. Thank you for sending us.

We were sent to minister to a woman suffering from a severe case of Obsessive, Compulsive Disorder. We agreed that this woman has the mind of Jesus and is every wit whole. Her behavior patterns began to change immediately after we prayed with and counseled her. Thank you for sending us.

We had a very cool Holy Spirit thing happen this week. As we were ministering to one of our partners at a coffee shop, a pastor overheard our conversation and asked for ministry. He went to our

website to read our teachings and was mightily blessed. Thank you for sending us.
