## Meanwhile this week...

We ministered to and counseled three men in three separate sessions who have been unemployed since at least March of this year. We are in agreement with them and have taken authority over their situations, spoken life into them and we believe that the Holy Spirit is guiding them to their destiny. Thank you for sending us!

We ministered to and counseled a recovering alcoholic who has accepted Jesus as his Savior and King. Thank you for sending us!

We laid hands on and prayed healing over a man who suffered from a fused disc in his back. We have agreed with him that the surgery will completely remove all pain. He would not accept the healing that Jesus has already given him through prayer. So, we agree with what he does believe. Thank you for sending us!

We celebrated and praised Jesus with a Woman who has stood in faith and fought the evil one for years and has now received by faith what God has given her by grace. Thank you for sending us!

We prayed and believed with a man of faith who is enjoying receiving the victory that Jesus has provided for him in spite of the circumstances he is surrounded by! Thank you for sending us.

We prayed with and counseled a man who is being attacked at every level in his business. Yet this man, inspired by the Word of God is standing in faith, nothing wavering. Thank you for sending us!

We were blessed to meet with many of you our partners this week. It is always a blessing to join you in the Word of God! Thank you for sending us!
