

# What Jesus Did Through You This Week!

Dear Partners,

We had a strong three days of ministry this week before taking the rest of the week off to thank Jesus for you and all of our other many blessings!

We pray that your Thanksgiving holiday was joyous and happy!

This weeks report is therefore, the readers digest version.

The highlight of our week was ministering to a group of alcoholics and addicts. Thank you for sending us.

We were sent to counsel and minister to a chronic alcoholic and addict in full decline. We pray that he received our counseling and will accept help. Thank you for sending us.

We were sent to minister to and counsel an unemployed man. We are in agreement with Jesus that he is being led to his destiny by the Holy Spirit.

We were sent to minister to a man suffering from stage 4 lung cancer and the accompanying treatments. We brought the Gospel of Jesus! Thank you for sending us.

We were sent to minister to and comfort a couple whose Son died of and unexpected illness. Thank you for sending us.

We were sent to minister to a man whose business was under attack. We have bound the evil one and prayed in agreement with the man that his business is booming in spite of the evil one's reports.

We met with several of you in person and for that we are greatly thankful!

We taught the Gospel around the world and America through our newly created Website: [Know Jesus Know Grace . com !](http://KnowJesusKnowGrace.com)

Thank you so very much for sending us to do the Lord's work!!!
