

What Jesus Did Through You This Week!

Dear Partners, thank you for another week of performing the Lord's work. Your faithful and generous giving makes our work possible and we are so very grateful to you! You are with us wherever we go and in whatever we do. Thank you for sending us!

Before we go further, let us remember to praise God and give him glory for all the lives that were saved, and for the rescue efforts he has made possible through the United States Military and other contributors, to the people of Haiti. Let us keep those who suffer in our hearts and prayers.

The Holy Spirit has given me a message for you our partners this week: "Therefore, If anyone is in Jesus, he is a new creation, old things have passed away; behold all things have become new. Now all things are of God; who has reconciled us to Himself through Jesus and has given us the ministry of reconciliation." (2 Corinthians 5:17&18) Praise God, we are all new creations!!! We receive this newness of life by living in this present moment with positive imaginations of the unseen and believing the promises of Jesus.

The highlight of this week was speaking healing over a young woman in critical condition, who was attacked with an infection in her heart. We believe that she has received her healing. We were able to speak the healing scriptures of Jesus over her situation. Thank you for sending us.

We were sent to pray healing over a man recovering from major surgery. The man was very grateful to you for sending us. So are we. We were able to minister the healing Gospel of Jesus to bring the man hope.

We were sent to pray with a woman whose child has been diagnosed with a deadly disease. We are in agreement with the woman who is standing in strong faith, that her daughter will live and not die and will proclaim the glory of God and the truth of the Gospel of Jesus. Thank you for sending us.

Following are some of the highlights of our week of ministry:

We were sent to minister the Gospel of Jesus to a group of alcoholics and addicts. Thank you for sending the hope of the Gospel of Jesus, to these people who so desperately need it.

We were sent to minister to a man consumed with fear, anxiety and worry about the present and the future and in dread of economic insecurity. We were able to minister peace to the man through the Gospel of Jesus. The man was very grateful for our encouragement. Thank you for sending us.

We were sent to minister to a sixty year old man who has been unemployed for nearly a year. The man is standing in faith believing that the Holy Spirit is guiding him to his destiny. We have prayed in agreement and ministered encouragement and hope to the man, who is now standing in strong faith. Thank you for sending us.

We were sent to minister the Gospel of Jesus to an elderly woman who recently lost her middle aged son. We were able to encourage and exhort the woman to live with joy and peace in the present. Thank you for sending us.

We were sent to encourage and exhort a woman whose brother is fighting stage four lung cancer. We shared the gospel with her and we are in agreement that her brother is completely free of cancer. Thank you for sending us.

We were sent to encourage and teach a homeless man who is grateful for the roof over his head tonight. Thank you for sending the Gospel of hope.

We had a tremendous teaching at our bible study group, "The Friday Fanatics". The Holy Spirit taught us about whom we are in Jesus. Thank you for sending us to teach this powerful group of believers.
