

What Jesus Did Through You This Week!

Dear Partners, it was a glorious week of ministry. We ministered in 40 countries around the world and in 39 states around America. We had powerful one on one ministry sessions with many people with various and serious requests. Wherever we went, You were there with us, side by side. Thank you so very much for making our work possible.

As we prayed for you this week, the Holy Spirit gave me this scripture to give to you: "Then said they unto Him, what shall we do, that we might work the works of God? Jesus answered them and said, **"This is the work of God, that you believe on Him whom He hath sent"**. [PERIOD]
(John 6:28&29)

Folks we took a large step on Friday and Sunday by streaming our Friday Fanatics and the Sunday Service of Know Jesus Know Grace.com and No Jesus No Grace.com; live over the internet. We are working on attaching the stream to our website so that all you will have to do to join in is to visit our site and follow the prompts. We will send you an email this week of how to watch our services on the net.

The highlight of our ministry week this week, without doubt, was the time we were able to spend with you our partners in one on one prayer and counseling sessions. These times are critically important to us. Your spiritual well being is urgent because we have been appointed members of a team, assigned to complete specific tasks under the direction of the Holy Spirit. It is imperative then that each member of the team be walking strong in the teachings of Jesus and the power of His might. Thank you for sending us.

We were sent to minister to a very sick chronic alcoholic. The man is being attacked in his body which he is destroying with alcohol. It was a very heart rending session. We are in agreement that the man will accept the guidance of the Holy Spirit and go to an AA meeting. We have bound the spirits of rebellion and addiction. Have you ever wondered why alcohol is sometimes referred to as "Spirits"? We are not opposed to drinking. We are opposed to making alcohol a god.

On the other hand, we were blessed to be sent to minister to a man who has taken his life back from the spirit of addiction through the power of Jesus and is walking strong in the power of the Gospel of Jesus.

We were sent to minister to a family facing the loss of their home due to the recession. We were able to minister the Power of the Gospel of Jesus to these wonderful people who have chosen to stand and trust Jesus. Thank you for sending us.

We were sent to minister to a woman whose husband has been out of a meaningful job for more than one year. The woman has become the bread winner and is struggling to pay the bills. We were able to impart the wisdom of the Holy Spirit into the situation and teach the Power of the Gospel of Jesus. Thank you for sending us.

We were sent to pray for a woman whose husband is a meth addict and will not work. The woman has been slaving away for more than two years to support the husband and her two little girls. Again, we were able to provide the guidance of the Holy Spirit and the Truth and Power of the Gospel of Jesus. Thank you for sending us.

We were sent to unconfuse a man confused about the Gospel of Jesus. The man had been incorrectly taught, his entire life. Thank you for sending us.

We were sent to pray health over a sick and financially challenged Vietnam Veteran. We were able to speak the Power of Jesus into his life and guide him to agencies created to help him. Thank you for sending us.

We were sent to teach the true Gospel of Jesus to a Bishop with many thousands of people under his influence. The Bishop received the Word with gladness. Thank you for sending us.
